- Recruiting, selecting, promoting staff on the basis of objective criteria
- Accepting learners on AHPO courses on the basis of objective criteria
- Training staff in equality and diversity and how to value and apply this in practice
- Monitoring and evaluating the effectiveness of our equal opportunity’s strategies and targets

- Complying with all current equalities legislation in employment and provision of teaching and services and procurement.

Responsibility for equality of opportunity

It is unlawful to discriminate, victimise or harass on the grounds of Age, Disability, Gender reassignment, Pregnancy and Maternity, Marital status, Race, Religion or Belief, Sex and Sexual Orientation.

Under legislation and this policy, every trustee, member of staff or contractor has a responsibility to:

- Familiarise themselves with the responsibilities that equalities legislation places on them and ensure that they are sensitive to issues of age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex and sexual orientation
- Not discriminate unlawfully
- Not to put pressure on others to discriminate unlawfully
- Question their own prejudices and assumptions
- Challenge attitudes which demean or denigrate other people (individuals or groups) and develop self awareness of the impact of your own behaviour

Certain individuals have additional responsibilities under this policy, as set out below:

- The Trustees are responsible for setting the policy framework for AHPO and for monitoring AHPO delivery against the policy;
- The Chairperson has overall responsibility for the operation of the Policy;

Appropriate action may be taken against anybody who does not comply with the requirements of this policy

Implementation

AHPO aims to ensure that unlawful or unfair discrimination, whether direct or indirect, is eliminated both in access to and assessment of its qualifications and that equality of opportunity is promoted. Where it is reasonable and practical to do so, it will take steps to address identified inequalities or barriers that may arise.

AHPO will consult as appropriate with relevant learners and/or their representatives to ensure that there are no barriers to entry to units and qualifications it develops and/or offers. The nature of any barriers will be stated and the inclusion of the requirements that create the barrier justified only and explicitly in terms of the integrity of unit or the qualification. Any details of how the effect of any barriers will be mitigated, including using access arrangements, including reasonable adjustments, will also be recorded, as required.

AHPO is responsible for the effective implementation of this policy and expects all stakeholders associated with the organisation to abide by the policy.

In order to implement this policy AHPO shall:

- Communicate the policy to all stakeholders
- Endeavour through appropriate training to ensure that we will not consciously or unconsciously discriminate in the selection or recruitment of staff and contractors. applicants / learners
- Incorporate specific and appropriate duties in respect of implementing the equal opportunities policy into roles and responsibilities of AHPO Committee members, Trustees and administrative staff
- Incorporate equal opportunities notices into general communications practices (e.g. announcements, annual report at annual general meeting, notices and newsletters)

- Ensure that adequate resources are made available to fulfil the objectives of the policy

Grievance Procedure

AHPO stakeholders or learners who believe that they have suffered any form of discrimination, harassment or victimisation that falls within the remit of AHPO are entitled to raise the matter through the AHPO Grievance Procedure, a copy of which can be obtained on request. All complaints of discrimination, bullying and harassment will be dealt with seriously, promptly and confidentially.

Monitoring and Review

Equality and Diversity is included in AHPO staff mandatory training.

Equality and Diversity is a standard agenda item for all AHPO meetings, including Trustees' Board meetings, Education Committee meetings and Assessor & IQA meetings, and any issues raised will be investigated by the AHPO Head of Centre and reported to the AHPO Executive for further consideration and action as deemed necessary.

Any formal complaints from employees, learners, employers or the public that AHPO is in breach of this policy will be investigated and actioned by the AHPO Executive.

Access to and progress in AHPO qualifications shall be connected solely with an individual's merits, abilities and potential. Data on sex, ethnicity and special needs is included in the collation and analysis of learner progress.
